EXPERIENCE

JUNIOR DESIGNER

Woogmaster Studio | Las Vegas, NV

January 2025 - Present

- Define project requirements and schedules while also researching and following industry trends and changes
- Produce elevations, sections, and details via CAD
- Draft additional CAD and BIM information for client projects
- Redline and correct presentations via Adobe Suite and Bluebeam
- Produce presentations on InDesign for project coordination

INTERIOR DESIGN COORDINATOR

Blue Heron | Las Vegas, NV

August 2023 - September 2024

- Collaborated with team members to complete projects from concept to completion using Revit, SketchUp, Adobe Suite, and Microsoft Suite
- Gathered materials and resources necessary for each project and presented to clients
- Define project procurement needs, including following up with vendors and ensuring all materials are available and in line with the project scope
- Rendered any/all client projects using SketchUp, Revit, and Enscape
- Produced complete ID Sets to be given to construction using Revit and Enscape

INTERIOR DESIGN ASSISTANT

Dezmotif | Las Vegas, NV

March 2023 - August 2023

- Worked with team members to develop project procurement needs, including collaborating with vendors for specific materials, selecting alternative materials, negotiating pricing, and creating custom materials
- Organized and selected materials and resources necessary for each project and presented in client meetings
- Created a new and functional system for material library operation
- Wrote specifications for projects using Microsoft Suite
- Prepared presentations for client projects using Adobe Suite
